

32nd Sleaford Classic Car & Motorcycle Show

Saturday 6th September 2025.

Boston Road Recreation Ground Sleaford NG34 7HH

Dear Show Supporter

Following a very successful show in 2024, we would like to ask you to consider supporting this year's event at our new, larger, venue on Boston Road Recreation Ground.

We are delighted to be able to offer all supporters of the show the opportunity to select a cost-effective advertising package to promote your business in our show programme. You may also wish to consider the alternative option of sponsorship, or attending the show as a trade stand, if so we have different packages available – please speak to Alan (contact details below) to discuss options.

As with all events, we would not be able to continue to meet the demands of the entrants and the general public without the generous backing we receive every year from the local businesses in and around the Sleaford area and we sincerely hope that you will consider supporting us and the event.

The show, which is organised by a small team of volunteers on a non-profit-making basis, supporting local charities and good causes, is held at Boston Road Recreation Ground. The show is one of town's most popular annual events, attracting well over 200 entrants and a significant footfall of visitors. The show is also well supported both by our local press and by several specialist publications.

Details and photographs of previous years' shows can be found on our website www.sccms.co.uk

For the competitive price of just £25 we offer a "one third page" advert in our show programme plus advertising of your business on our web site. Or Get a "full page" advert for just £50
