

Trade Entries

The organisers reserve the right to limit the number of trade stand requests to prevent "over duplication" of similar offerings in order to provide a reasonable opportunity for those present to have a successful event. In making these decisions we will use our past experiences of the number of vehicle entries and the likely footfall of visitors throughout the show. **The organisers decision is final**

To apply for an opportunity to trade in the 2024 show please use one the following options:
